

WORKERS' COMPENSATION & EMPLOYERS LIABILITY POLICY

Amendment to Michigan Law Endorsement  
(Coverage Limited to Designated Construction Site)

This endorsement applies only to the insurance provided by the policy because Michigan is shown in item 3.A of the Information Page.

Item (e) of the Michigan Law Endorsement is replaced by the following sentence:

That this insurance contract or policy is limited to cover only operations of the insured conducted at the construction site designated below, including any necessary or incidental operations.

- 
- Note 1: This form is designed to insure a specific risk policy and is attached when designated construction site approval has been secured from the Bureau of Workers' Disability Compensation in accordance with MCLA 500.418.621(2) and R 408.42.
- Note 2: The designated construction site description should be the same as it appears on the order of approval signed by the Director of the Bureau of Workers' Disability Compensation.
- Note 3: The insured's written consent is required prior to attachment of this endorsement to an outstanding policy.
- Note 4: The company may use its own attachment clause and method of execution.
